Dear Ms. Ram,

Your open records request was received by the Department of Corrections on November 18, 2019.

"Pursuant to the Kentucky Open Records Act, I hereby request the following records:

- Any informational and educational materials distributed in correctional facilities about housing options available to inmates post-release*
- Any currently valid policies/procedures detailing Department reentry services specific to accessing housing options post-release*
- Any statistical reports detailing admission and release trends from between January 1, 2017 and December 31, 2017*
- Any statistical reports detailing recidivism data from between January 1, 2017 and December 31, 2017*
- Any statistical reports regarding inmates' housing status prior to and following commitment to the Department from between January 1, 2017 and December 31, 2017*

Please provide materials from all state correctional facilities and on a rolling basis, as they become available."

Please be advised that additional time is needed to search for and compile any documents that are responsive to your request. KRS 197.025(7), 61.872(5). Additionally, we have received a high number of open records requests the past few weeks, which has further delayed processing. We will have a response to you no later than December 17, 2019.

Sincerely,

Katherine Williams
Open Records Coordinator
